

Me and the Boys

Thin Lizzy

I'm going to make a little money going to put it in my pocket down in new orleans
I'm going to make a little money going to put it in my pocket down in new orleans
me and the boys were wondering how you and the girls are getting home from here tonight
me and the boys were wondering how you and the girls are getting home from here tonight
you heard me right you heard me right nothing fancy let them play i made first mistake
I'm going to make a little money going to put it in my pocket in mexico
I'm going to make a little money going to put it in my pocket in mexico
me and the boys were wondering which way you and the girls are going to go
me and the boys were wondering which way you and the girls are going to go
you heard me right you heard me right nothing fancy nothing fat
come on baby you'll do like that
