

Rosalie

Thin Lizzy

As C# As C#

As

1. She's quite a mediator

C# As C#

A smoother operator you will never see

As

Said "See you later"

C# As C#

You know one day I disobeyed her openly

Es

She knows music

F# C# F# C#

I know music too, you see

Es

She's got the power

F# As F# C#

The teen queen, Rosalie

As C# As C#

R: Rosalie Rosalie

As C# As C#

Rosalie Rosalie

2. She's got the pleasure

Comes from all the cornerstones of the world

She's so fantastic

She's everybody's favorite little record girl

She knows music

I know music too, you see

She's got the power

I got the power, Rosalie

R: Rosalie Rosalie...

As Es As Es

C# As C# As

*: Down on me, Rosalie

C# As Es

Shine on me will you please

As C#

3. Well Chattanooga, Lacooda, Baooga Loosa

You can hear her fine

She makes the choices

Then you'd best be smiling when it's losing time

She knows music

I know music too, you see

She's got the power

She is a tower, Rosalie

R: Rosalie Rosalie...
