

Waiting For An Alibi

Thin Lizzy

Cmi Eb Gmi B (6x)

Cmi Eb Gmi B
1. Valentino's got a booky shop
Cmi Eb Gmi Gmi
and what he takes He gives for what he's got
Cmi Eb Gmi B
And what he's got he says he has not
Cmi Eb GmiGmi
Stolen from anyone

Cmi Gmi
It's not that he don't tell the truth
Cmi F
Or even that he misspent his youth
Cmi Gmi
It's just that he holds the proof
As B
But you feel there's something's wrong

Eb Gmi As B
R: Waiting for an alibi, Waiting for an alibi
Waiting for an alibi, Waiting for an alibi

Cmi Eb Gmi B (4x)

2. Valentino's in a cold sweat, placed all his money on that last bet
Against the odds he smokes another cigarette
Says that it helps him to forget
That he's a nervous wreck

It's not that he misses much
Or even that he's lost his lucky touch
It's just that he gambles so much
And you know that it's wrong

R: Waiting for an alibi, Waiting for an alibi
Waiting just to catch your eye
Waiting for an alibi, Waiting for an alibi
Try to say I told you I told you

R: Waiting for an alibi
Waiting just to get you
Waiting for an alibi
Waiting for an alibi
To say I told you
Waiting for an alibi
Waiting for an alibi
Oh mamamama...
