

# Don't Give In

Third Eye Blind

I'm on the side of everyone  
Who wants to stay alive, mmmm  
Let's go for a ride  
On my motorbike  
I can't hear a thing  
I know what you're saying  
Don't give in  
Say it now like a friend  
Don't give in

And I'll tell you one thing that I'm not  
I don't think that I'm right  
Cause I didn't get caught  
Tell me now, where you've been  
Don't give in, don't give in  
And the thing that's killing me  
Is a vision of life how it's supposed to be  
Without each other we're nothing  
Don't give in

Cause when the sun move top  
It falls down  
I am right by your side

It doesn't work for you then don't do it  
Feel yourself again  
It doesn't work for you then don't do it  
Don't live your life pretend  
Oh, it's nice to meet you  
Oh

Let's go bare knuckle this season  
If you lose your heart then you'd lose your reason  
A swash buckle wearing thin  
Don't give in, don't give in  
What do you want me to do?  
Spend my brightness burning for you  
Without each other we're nothing  
Don't give in

It doesn't work for you then don't do it  
Feel yourself again  
It doesn't work for you then don't do it  
Don't live your life pretend  
Oh, it's nice to meet you  
Oh, it's nice to meet you  
Oh

It's nice to meet you

It doesn't work for you then don't do it  
Feel yourself again  
It doesn't work for you then don't do it  
Don't live your life pretend  
Oh, it's nice to meet you  
Oh, it's nice to meet you  
Oh, it's nice to meet you

Yeah, yeah, yeah  
Oh

I'm on the side of everyone  
Who wants to stay alive  
Don't give in  
Say it now like a friend  
Don't give in  
I love you more than anything  
Don't give in  
Don't give in  
Don't give in
