

I Want You

Third Eye Blind

The suckers loose themselves
In the games they learn to play
Children love to sing but
Then their voices slowly fade away
People always take a step away
From what is true
That's why I like you around
I want you
Oh you do you do...
You make me want you
An open invitation to the dance
Happenstance set the vibe that we are in
No apology because my urge is genuine
And the mystery of your rhythm is so feminine
Here I am and I want to take a hit
Of your scent cause it bit so deep into my soul
I want you
Yeah, you do you do...
You make me want you
Oh you do you do...
Send me all your vampires
I want you
And I can't get enough, oh I can't get enough
And I can't get enough
The village church yard is filled with
Bones weeping in the grave
The silver lining of clouds
Shines on people Jesus couldn't save
You want to know how deeply my soul goes
Deeper than bones
Deeper than bones
And I can't get enough
Oh, I can't get enough
Oh, I can't get enough
Oh, I can't get enough
After we did it by the window sill
Smoke rings drift into the midnight sky
Presently in the quilt that your mother made
A candle burns to fight off the gloom
I said to live in this way is not for the meek
And like a jazz DJ you talk me into sleep
I said there'll be no regrets when the worms come
And they will surely come
You do you do...
Make me want you
Send me all your vampires
Yeah you do...
Make me want you
