

# Screamer

Third Eye Blind

Get your carts ready  
Tell your go carts go  
Ready for a breakthrough manic episode  
You're so damn beautiful  
Come and take over let's take control

I want to roll in between her  
You make me feel the fight  
Like a screamer, a screamer

You shock a voice I feel it deeper  
You make me feel the fight  
Like a screamer, a screamer

Devil flick a bomb like a cigarette  
Take away our moment like we never met  
Get your hands up  
Can't you get a love

I come alive beside you when I breath you in let ya full out pyscho raise  
Your voice again Yeah get your hands up Can't touch our love

I used to think someone would come we'd be rescued I used hold my tongue and  
Not be rude I out grew that dude

I want to roll in between her  
You make me feel the fight  
Like a screamer, a screamer

You shock a voice I feel it deeper  
You make me feel the fight  
Like a screamer, a screamer

Can't touch our love  
Can't get our love

Get ya go carts ready  
Tell your go carts go  
We're the big sets and they're gonna fold You're so damn beautiful Come take  
Over come and take it

I want to roll in between her  
You make me feel the fight  
Like a screamer, a screamer

You shock a voice I feel it deeper  
You make me feel the fight  
Like a screamer, a screamer

So let me here you scream  
AhhhHHHHHHH!  
Let me hear you scream  
AhhhHHHHHHH!
