

Betty Page

Thirsty Merc

Line on the outside I'm sublime Forget about time I'm a true no
getter All things in my mind start to shine I burn a quick fir
e with the joint jet setter Been a hell a big week on my physiqu
e I'm over that now in a tadpole minute One humanoid i'll try t
o avoid Dig him a big hole just to jump right in it

Then i see you right there with your cute hair Cuttin the night
sky with your stun gun smile And everybody wants to know your
name Everybody wants to know your name

Are you ready To go all the way I swear that you could be my Be
ttie Page I see it There on your face Yeah baby you could be my
Bettie Page

Now i'm in the main roomfacin the stage I'm trying to get loose
where the band is kainckin Try to see my new babe But the whol
e place manouvers so packed I'm sardine chicken I gotta say it'
s too much Starting to crush The vibe is all wrong It's a one w
ay arrow But this is not about anything profound It's just a bi
g night on a Friday tarot

Then i see you right there with your cute hair Cuttin the night
sky with your stun gun smile And everybody wants to know your
name Everybody wants to know your name

Are you ready To go all the way I swear that you could be my Be
ttie Page I see it There on your face Yeah baby you could be my
Bettie Page

Five drinks and I'm ratfink Me thinks i need to come down from
the 'Flatstick level' Bass lines like a fortress surround a room
of Young guns on cuervo special Bush bash through the slip str
eam Bunny - I need to find you but the ground looks Whacko Bust
out on the street where i can finally Breathe clear but I'm fi
lled with sorrow

Then i see you right there with your cute hair Cuttin the night
sky with your stun gun smile And everybody wants to know your
name

Are you ready To go all the way I swear that you could be my Be
ttie Page I see it There on your face Yeah baby you could be my
