

# Whole World Reminds Me of You

Thirsty Merc

I set off on the open road  
I guess I've got to find myself that's true  
I don't know what I'm looking for  
Well maybe all the roads lead back to you  
the journey only makes me cry  
I'm such a f\*\*king selfish guy its true  
I've probably gone and done it right?  
I've probably gone and lost you..

Why does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you have  
Why does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you have

All i got is memories  
and slideshows of cityscapes  
I don't know what came over me  
I Don't know what came over me to make me go away  
I guess I'm just a lost dog  
I Guess i'm just young and confused again  
I'll try and work out what i want  
I hope i see you again

Why does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you haveWhy does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you have  
Of You yeah

And the villiage is lined with street markets  
but i know i'll see you again  
I dont know why i left when the targets  
were on the sights again

Why does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you haveWhy does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you haveWhy does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you haveWhy does the whole world remind me of you?  
She's all i ever knew  
Its so bad  
When a photograph is all you have
