

You Crossed the Line

This Romantic Tragedy

Here we go again, make a call to my friends.
I said I'd be there until the very end.
This is where I draw the line.
This is where I draw the line.

I watch as my eyes expose your lies.
This is where we draw the line.
This is where we draw the line.
Here we go again, make a call to my friends.
I said I'd be there until the very end.
Here we go again, make a call to my friends.
I said I'd be there until the very end.
This is where I draw the line.
This is where I draw the line.
Sleep deeper, deeper.
Sleep deeper, deeper.
This is where I draw the line.
This is where I draw the line
