

Music, Dance

Thomas Anders

My sweet soul, hello!
One day I'll get too excited
My sweet song, hello!
Get too close, you'll ignite me

Music, dance is the devil
As I sit in the shadow
Will be free tonight
Music, dance is the devil
I'm a music, dance rebel
Want to be free

Chorus
I don't wanna play on another day
Say you can go away
Maybe, maybe
If you find I don't wanna play
And then in the morning say
Baby, baby

Everybody do it
ooh
Everybody do it

My sweet soul, hello
Wanna feel you deep inside
My sweet song, hello
Will you be with me tonight.

Music, dance is the devil
As I sit in the shadow
You will be free tonight
Music, dance is the devil
I'm a music, dance rebel
Want to be free

Chorus

Some day, one day
You won't even find me
Some day, one day
You won't even find me

Chorus
