

One More Chance

Thomas Anders

When your silence turns to lies
Tell me why I should try
I just wanna be your guide
I wan't cry say good-bye

Oh baby, we are through
All the time I was right
Oh baby you were true
Never be satisfied

Chorus
Give me one more chance
And I'll prove I love you
Give me one more chance
'Cause you feel it , too
I don't want to fly int he sky without you
You know it's true.

Give me one more chance
And I'll prove I love you
Give me one more chance
'Cause you feel it , too
I don't want to fly int he sky without you
You know it's true

You just playing games with me
Lady stop! Look at me!
Nothing's going to change my mind
Though I know You've not mine
You never loved me, no
Like a man who loved you

Don't leave me here alone
Don't need time for my own

Chorus

Give me one more chance, baby
You know I love you
Just give it to me
I nedd this Only chance
Love you

Chorus

Baby, give me one more chance
