

It's Beautiful

Thomas Godoj

I never thought
a feeling like this
would rise upon me like a storm
and blow me away
to a different place
where I've never been before

Now when I'm watching you
I could stay here forever

It's beautiful, it's so beautiful
I'm in two feet above the Ground
It's beautiful, yeah It's beautiful
and nothing can bring me down
'cause I'm living in a dream
that you've given me
I'm heading for something new
It's so beautiful to be with you

When I was lost
You got me through
Oh Baby you showed me the way
there was no doubt
I knew we were right
This feeling grows stronger today

Now when I'm watching you
I could stay here forever

It's beautiful, it's so beautiful
I'm in two feet above the Ground
It's beautiful, yeah It's beautiful
and nothing can bring me down
'cause I'm living in a dream
that you've given me
I'm heading for something new
It's so beautiful to be with you

I won't let you down, I will always be around
'cause you bring out the best in me
and you make me believe
yeah it's beautiful

Ahhhh ahhh ahhhh ahhh

It's beautiful, it's so beautiful
