

It Goes Like This

Thomas Rhett

Hey, girl, you make me wanna write a song
Sit ya down and sing it to you all night long
I've had a melody in my head
Since you walked in here and knocked me dead
Yeah, girl, you make me wanna write a song

And it goes like, oooh
What I wouldn't do
To write my name on your heart
Get to wrapping my arms
Baby, all around you

And it goes like, hey
Girl, I'm blown away
Yeah, it starts with a smile
And it ends with an all night long, slow kiss
Yeah, it goes like this

Hey, girl, you make me wanna drive you home
Get you outta here and get you all alone
I don't know what it is about you, baby
But I'm all messed up, and it might sound crazy
But you make me wanna write a song

And it goes like, oooh
What I wouldn't do
To write my name on your heart
Get to wrapping my arms
Baby, all around you

And it goes like, hey
Girl, I'm blown away
Yeah, it starts with a smile
And it ends with an all night long, slow kiss
Yeah, it goes like this

Looking at you looking at me that way
Makes wanna grab my old guitar and play

Something like, oooh
What I wouldn't do
To write my name on your heart
Get to wrapping my arms
Baby, all around you

And it goes like, hey
Girl, I'm blown away
Yeah, it starts with a smile
And it ends with an all night long, slow kiss
Yeah, it goes like this

And it goes like, ooh
And it goes like, hey
And it ends with a kiss
Yeah, it goes like this
