

Getaway Car

Thompson Square

What if I was Jesse James or had one of
Them outlaw names
Could you handle my wild west games
Living on the run
What if we were Bonnie and Clyde
With Tommy guns running from the
Blue lights
In love and living on the wild side
Just for fun

Chorus:

Would you drive my getaway car
Chasin' dreams like a couple young
Hearts
Hidin' out underneath the stars
Would you drive my getaway car
Would you drive my getaway car
This town's just a little black dot
A quiet place that time forgot
A one light at a four way stop
On a two lane road
What if we hit the gas
Run away and never look back
Hey whatcha think about a thought
Like that

Baby I wanna know

Chorus

Would you drive my getaway car
Would you drive my getaway car
Chorus

Oh oh oh, oh oh oh, oh oh oh

Oh oh oh, oh oh oh, oh oh oh

Getaway car

Oh oh oh, oh oh oh, oh oh oh
