

Run

Thompson Square

I'm gonna buy a boat and sail
And I'm gonna grab the world by the tail
And I'm gonna live and love and believe
No matter what tomorrow brings

I'm gonna run as fast as I can
Hold every little moment in the palm of my hand
I'm gonna fly right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, run

Love taught me how to cry
But life taught me how to fight
And time showed my eyes how to see
And I'm not afraid 'cause now I'm free

I'm gonna run as fast as I can
Hold every little moment in the palm of my hand
I'm gonna fly right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, run

When it feels like the world is crashing down
Just keep your feet on the ground and run, run, run
When you're broken, tired, hurt or scared
Let the wind take you here and run, run, run

I'm gonna run as fast as I can
Hold every little moment in the palm of my hand
I'm gonna fly right into the sun
Gravity can't stop me, I've already begun
I'm gonna run, run, run
I'm gonna run, run, run

I'm gonna run, run, run
I'm gonna run, run, run
