

## I'll Be Yours

### Those Dancing Days

I was always searching for the last dismissing  
Now that i found you wishes do come true  
Butterflies inside me make us fly where we walk  
I'm holding on i'll be holding on

I'll be yours and you're mine and i'll be your friend  
let's stay till the end  
I'll never stop loving you  
I'll be yours and you're mine i'll never let go don't  
ever let go  
I'll never stop loving you

Capture me in your arms wrap your soul around me  
Never felt so free you're so close to me  
Lie on the clouds and we're kissing the sky  
Rain drops are falling but we're staying dry  
And i'll be holding on i'll be holding on

I'll be yours and you're mine and i'll be your friend  
let's stay till the end  
I'll never stop loving you  
I'll be yours and you're mine i'll never let go don't  
ever let go  
I'll never stop loving you

I'll be yours and you're mine and i'll be your friend  
let's stay till the end  
I'll never stop loving you  
I'll be yours and you're mine i'll never let go don't  
ever let go  
I'll never stop loving you

I'll be yours and you're mine i'll never let go don't  
ever let go  
I'll never stop loving you.
