Three 6 Mafia

Yah, she freaky, freaky deeky, didn't ya see her in a bikini
Porno movies we got plenty, and ya know they smoke them beenies
For this chick you might be feenin, for you birshes, might be dreamin
If she stuck up, I'm like whut up? I ain't got nothin but lent and pen

Tell yo boyfriend cut the crap-and, heard he got that fire ass capp-

Heard she like to chief on chronic, roll it up and hit this Cali
You fuck my bitch, I fuck yo bitch, that's the way it is in showbiz

Stayin fresh in brand new clothes, sponsored by my brand new hoes
Keepin one on every block, she fuck up bust her head with glock
When I slam cadillac do's, 17 inch vogues
On the curb, sip and serve, ask a broad "what's the word?"
Wrong answer mean as cancer when I'm on that fuckin bird
Runny nose and roastin hoes, kickin in them hotel do's
Gotta keep that paper right, up all night and hype off white
Big Bizness, Bizness Big when you talkin bout pimpin trick
Gotta keep an eye out for them bitches tryna pimp ya dig?
In the 2 thou, manne that shit done got so popular
Push a pimp like me way back like some backwards binoculars
But real pimps gon stay afloat like rubber ducks in white folks tubs
Clouds creepin up above, smoke burnin from this bud
Bitch, feel it 'fore I deal it, hoe how you gon hustle me?
I'm born and bred by HCP, I'll leave your blood off in these streets!
