

Good Feeling 1957

Three Dog Night

Good feeling
Good feeling
Good feeling
(Beautiful feeling)
Good feeling
(Holding you tight)
Good feeling
(Such a good feeling)
Good feeling
(Every single day and night)
Baby, if you want me
Or you need me I will come
If you really need me
Good feeling
(Yes, it is)
Good feeling
(Such a feeling, baby)
Good feeling
(Such a good feeling)
Good feeling
(Just about to lose my mind)
Good feeling
(Such a good feeling, baby)
Good feeling
(What is of my life to find)
Such a good feeling
Good, good feeling
Such a good feeling
I confer my love to you
Morning, noon and afternoon
Good feeling
(When I catch you all alone)
Baby, if you want me
Call my name and I'll be there, yes, I will
If you really need me
I confer my love to you
Morning, noon and afternoon
Good feeling
Good feeling
Good feeling
