

# Never Dreamed You'd Leave in Summer

Three Dog Night

I never dreamed you'd leave in summer  
I thought you'd go then come back home  
I thought the cold would leave by summer  
But my quiet nights will be spent alone

You said then you'd be warmed up in springtime  
Oh, you said that is when you started to be cold  
No, no  
I never dreamed you'd leave in summer  
But now I find myself all alone

You said then you'd be alive in autumn  
Then you said you'd be the one to see the way  
No, no, no, no, no  
I never dreamed you'd leave in summer, oh  
But now I find my love has gone away  
Why didn't you stay?

I want to know why didn't you stay  
Ah babe  
Why didn't you, why didn't you  
Why, I think I should know why didn't you stay  
I think I should know why, why  
Why didn't you stay?
