## **Three Dog Night**

Nobody tell me you don't love me, babe They just don't know that you're an angel Nobody tell me you don't love me, babe Gotta way we look, get the way we're done May make some people frown They don't understand the bag Stop, put us down They just don't know that you're an angel Nobody tell me you don't love me, babe All the squares keep talkin' 'bout you, baby Don't you know that talk is cheap, yeah Our love will last even we're square We're gonna carry on They just don't know that you're an angel Good God, good God, yeah, love, yeah Nobody tell me you don't love me, babe No, nobody, no, nobody No, nobody, no, nobody No, nobody, no, nobody Nobody
