

Put out the Light

Three Dog Night

Why should I worry
When I know you're loving me
Why should I care when
Joy is everywhere
How can I see the
Beauty of the light
Somebody I trusted
Somebody I knew quite well
Somebody I loved
Done reached up and put out the light
(Put out the light)
Turn the day into night
(Put out the light)
I got this little melody
I think it's making it blue only
But then I hear the symphony
And that's what I use
When somethin's been gettin' the best of me
Put out the light
Turn the day into night
Yeah, Yeah, Yeah
(Yeah, Yeah, Yeah)
Why should I hurry
When I'm doing the best I can
Do what I do and
Now don't you understand
How can I see
The magic of the night
When Somebody I trusted
Somebody I knew quite well
Somebody I loved
Done reached up and put out the light
(Put out the light)
Turn the day into night
(Put out the light)
Somebody I trusted
Somebody I knew quite well
Somebody I loved
Somebody I knew quite well
(Trusted)
Somebody I Trusted
Somebody I knew quite well
Somebody I loved
Somebody I knew quite well....
