

## (I Just) Died in Your Arms

Throw The Fight

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight

I keep looking for something I can't get  
Broken hearts lie all around me  
And I don't see an easy way to get out of this  
Her diary it sits on the bedside table  
The curtains are closed, the cats in the cradle  
Who would've thought  
that a boy like me could come to this

Oh I, I just died in your arms tonight  
It must've been something you said  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must've been some kind of kiss  
I should've walked away,  
I should've walked away

Is there any just cause for feeling like this?  
On the surface I'm a name on a list  
I try to be discreet, but then blow it again  
I've lost and found, it's my final mistake  
She's loving by proxy, no give and all take  
'cos I've been thrilled  
to fantasy one too many times

Oh I, I just died in your arms tonight  
It must've been something you said  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must be some kind of kiss  
I should've walked away,  
I should've walked away

It was a long hot night  
She made it easy, she made it feel right  
But now it's over the moment has gone  
I followed my hands not my head,  
I knew I was wrong

Oh I, I just died in your arms tonight  
It must've been something you said,  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must've been some kind of kiss  
I should've walked away  
I should've walked away
