

Snake Mountain

Throw The Fight

Lights out
Guilty
Prey on the weak
It's unhealthy
Set the record straight
Turn clocks back
Grab you by the throat
Can you feel it?

Lights out
Can you feel it?
Guilty
Unhealthy
Lights out
Can you feel it?
Guilty

Create a new story to tell
Enjoy life living in Hell
Hide lies
With all your secrets
Inside
Dies Demons

Unholy
You stand in your glory
When is enough enough?
Praying away, away, away
Forgiveness
Unholy
Praying away, away, away
Unholy
Forgiveness

Lights out
Guilty
Prey on the weak
It's unhealthy
Set the record straight
Turn clocks back
Grab you by the throat
Can you feel it?

Lift the veil up
Show me inside
Don't cross the line
Wine and dine us
Lift the blinders
And bleed us dry

Unholy
You stand in your glory
When is enough enough?
Praying away, away, away
Forgiveness
Unholy
Praying away, away, away

Unholy
Forgiveness

Set the record straight
Turn clocks back
Grab you by the throat
Can you feel it?

Open your hands
No one to trust
Open your mind
Bleed us dry

Unholy
You stand in your glory
When is enough enough?
Praying away, away, away
Forgiveness
Unholy
Praying away, away, away
Unholy
Forgiveness

Lights out
Guilty
Prey on the weak
It's unhealthy
Set the record straight
Turn clocks back
Grab you by the throat
Can you feel it?
