

Break That Last Glass

Throwdown

Faster and faster, heading for disaster. Forward to die. Death
to life.
When I'm happy. When I'm sad. When I'm mad. Drive me dead. In t
he dead
of night, tears fall like rain. Upside down inside a mind of pa
in. Spill
that drink, break that glass. You're drunk as fuck, drive me de
ad. Break
that last glass.
