

Together Rising

Throwdown

Moving on the past distorts away. Remember the times. Forget those days. Take with you what you learned and trust it serves you well, cause your confidence is power in this hell. Take my hand, trust my heart. Have faith in us. what's left of me without you? What you see is what you get. Take my hand TOGETHER RISING. So take my hand and trust your heart. What is left of me without you. Take my hand trust my heart. Trust it serves you well, cause your confidence is power in this hell. These are the bonds that never break - AND WE RISE. What you see is what you get. Forget the past. The best of times will last, forget about the pain cause you can't take it back.
