

Haunted

Thumb

I never wanted this in the first place, had I known better, I wouldn't have lost my face, 'cause

I'm not a sucker

to the chances of disgrace, but I wouldn't be here, wouldn't fill this space.

But can it justify to be a split-tongue-

guy with a split personality, musicly, lyricly, can't you

see ev'rrything that I'm about derives around honesty...honesty!

I wasn't made, don't even like the trade, sometimes you've gotta pay in order to get paid, I

paid my dues, now I don't wanna choose, 'cause ev'rything I stood for is ev'rything I lose...so I

lose...don't make me choose...!

Haunted by the ghosts I called upon...he was haunted!

I'm not a two headed man, a monster in a can, not a Jekyll and Hyde, I guess I never had a

plan, what this would turn into; but now I begin to understand all the shit, that the others have

been through, I'm not a living dead, with a zipper in my head...open me up to find out where

I'm at, 'cause I'm my own creation, my Frankenstein, so check the situation, 'cause it's about

time, that someone understood what I'm going through...I'm living through my worst ever

dream come through, I'm living through my worst ever dream come true...so come true...my

dream come true...! Haunted by the ghosts I called upon...he was haunted
