

Sell Myself

Thumb

I've gotta be breaking up with ev'rything I know,
if I wanna break ground with anything I've got to show,
'cause if there's a person in the world
that I've got to please it's me not you.
I've got to stand up for what I've gotta say,
gotta be lettin' my inner light show me the way,
to be as much of me as I can let myself be...
until my dying day.
Cause I won't sell myself to you...

I was never the kind of person to follow like sheep, I
'm not gonna lie in the bed you made for me,
sometimes the easy way is the harder way to
try to set your mind at ease.
I've got to let temptations fall aside,
gotta be letting my heart say what's wrong or right...
still be as much of me as
I can, let myself be, as long as I decide.

Cause I won't sell myself to you...

I'm so sick and tired of everything you do to me,
say something new to me, like 'do as you please,
'cause I'm havin' a hard time when you do these things
to me,
like I'm guilty or something, whatever you're trying to
say...
I'm not lazy or stupid or nothing,
but I've gotta be pulling myself aside to stop all the
fussing and fighting my friend.
I won't sell myself
