

# Don't Wanna Talk About Love

Thunder

Here in my head  
I should be moving on  
But in my heart it's a different story  
It's another song

Shackled and tied  
Like a dog out in the cold  
And I find it as hard as I can  
But I got no control, oh no

I know you feel for me  
But all I feel is pain  
I really wanna tell you  
But how can I explain

When I don't wanna talk about love  
Oh no, oh no  
And I don't wanna talk about love  
Everybody's talking 'bout it too much

I know there's those sins  
In dwelling on the past  
But well my head nor my heart I can't tell you  
How long it's gonna last

They say it's good talk  
But I have to disagree  
The more I keep it in  
The more it sets me free

When I don't wanna talk about love  
Oh no, oh no  
And I don't wanna talk about love

I can feel it twisted under my skin  
I got to get the poison out  
So I can breath again

'Cos I don't wanna talk about love, oh no  
Everybody's talking 'bout it too much

I know you feel for me  
But all I feel is pain  
I really wanna tell you  
But how can I explain

When I don't wanna talk about love  
Oh no, oh no  
And I don't wanna talk about love  
I don't wanna talk about love  
Oh no, no  
And I, I don't wanna talk about love  
Everybody's talking 'bout it too much  
Oooh, I don't wanna talk about love  
Mmmmm, everybody's talking 'bout it too much  
Oooh, I don't wanna talk about love  
Mmmmm, everybody's been talking 'bout it too much

Oooooh
