No One Gets Out Alive

Thunder

I'm not gonna live forever
But that's alright with me
So when the day comes round now don't you cry
Don't you waste your life away
Wondering what's beyond the veil
When you oughta be here enjoying the ride

So jump into the water
Wake up for the sunrise
Don't waste a second
'Cause no one gets out alive

Today you run around
Trying to change the things you can't
When money ain't the currency, it's time
When the whole wide world is waiting
There for you to see
Now is all so squeeze the moment dry

You've got to
Celebrate the new day
Count stars in the dark night
Be stupid and romantic
'Cause no one gets out alive

Sail the troubled ocean
Surf in on the new tide
If you fail it doesn't matter
'Cause no one gets out alive

I know I'm not gonna live forever
But on this one thing you can rely
I'm gonna try

Celebrate the new day
Count stars in the dark night
Be stupid and romantic
'Cause no one gets out alive

Jump into the water
Wake up for the sunrise
And don't waste a second
'Cause no one gets out alive
Nobody
