

## Feathers

Thurston Moore

Hello. Uh, it's Yoshimi, Alec  
Wonderful. Alexander  
We-er-we-er-we-er  
Hello, Hello  
It's Yoshimi

I've been told  
Camels are gold  
But why should I care  
When you're so near  
Fun and games  
So cracked and insane  
Alone with you  
I breathe the rain

Back and forth  
I'd race your horse  
Camel is like  
A golden Porsche  
Fun is you  
When your around  
Around my heart  
The feathers are brown

And I've been told  
Camels are gold  
But why should I care  
When you're so near  
Fun and games  
So cracked and insane  
Alone with you  
Feathers and rain
