

Nightmare Scenario

Thy Disease

The truth has emerged
There is no external threat
The virus is a lie
Militarisation of each aspect of life
The only danger comes from the inside

Nightmare scenario...

False ideologies to justify
Your innate desire to expand
The time is now
And the reason is in you

The struggle for power
Pitiless for profit
You corroding from inside
Will you make it anyway?

How many lies. unnecessary wars
Before you all perish?
You are imploding
Your time has gone
We have to do is wait
