

# Baby Don't Go

Tiffany Evans

This is the last time I'm doing this,  
And I told myself the last time I wouldn't do it no more.  
You know what I'm talkin' bout  
Tired of keeping tabs and tryna figure out  
Where your heads at?  
Where you been at  
Once it's over, I won't be back

I, I know one thing's for sure  
If you don't learn now I'm a be out.  
Some things you can't ignore  
And I don't plan on taking no more  
Oooooooh  
And when I'm just about to walk out the door  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't goooooo"  
And you know just what to say to me boy  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't go"

There's only so much I can take all these years and your mistakes  
You could've been replaced yeah  
But I forgave you through the heartache,  
Then I had to find out the hard way  
Where your heads at?  
Where you been at  
If it's over now, I promise this time I won't be back

I, I know one thing's for sure  
If you don't learn now I'm a be out  
Some things you can't ignore  
And I don't plan on taking no more  
Oooooooh  
And when I'm just about to walk out the door  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't goooooo"  
And you know just what to say to me boy  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't go"

Don't tell me that you're sorry,  
Now it might be over!  
Baby you're lucky after all this time,  
I still I loved ya  
If I'm with you I should never come second to no one.  
'Cause a real woman always knows what she wants,  
Ooooooh, yeah  
And when I'm just about to walk out the door  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't goooooo"  
And you know just what to say to me boy  
You be like "baby, don't go, baby don't go,  
Baby, don't go, baby don't go"  
Oh yeah
