

Inconsistent

Tiffany Evans

Look, I checked this out, listen up
I'm only seen this one time, better give it up
If I can make you change your ways,
If I can make you change your thought,
What's the point of us having all these thoughts?
Taking all these... breaking up, making up,
What a hell is up with us?
What a hell is up with us?
You had my heart in the beginning
But now I'm feeling like it's about that time to end this!

Same old issues, same old issues,
Inconsistent, so inconsistent!
I feel... same old issues
Inconsistent, so inconsistent!
What she want,
Baby, you're on!
What she want,
Baby, you're on!
Same old issues, same old issues,
Inconsistent, so inconsistent!
Baby, you're giving me a headache
Working my brain, trying to maintain this headache
Relationship I wanna quit, but I don't get it
No, I don't get it, it's hypothetical, oh!
Oh, I don't know how much more I can take
It's such a headache!
What she want,
Baby, you're on!
What she want,
Baby, you're on!

Damn, what is it with you,
You plan all these games
Did you ever get tired of doing everything the same?
Never mind that,
I bet you think you...
I'mma change that,
I'll bet you'll never be the same!
And I'm so sick of when you think you got it all
Boy, you're think you're trying,
Boy, you're messing with a boss
You got my heart in the beginning,
Now I'm feeling like it's about that time to end it!

Same old issues, same old issues,
Inconsistent, so inconsistent!
I feel... same old issues
Inconsistent, so inconsistent!
What she want,
Baby, you're on!
What she want,
Baby, you're on!
Same old issues, same old issues,
Inconsistent, so inconsistent!
Baby, you're giving me a headache
Working my brain, trying to maintain this headache

Relationship I wanna quit, but I don't get it
No, I don't get it, it's hypothetical, oh!
Oh, I don't know how much more I can take
It's such a headache!
What she want,
Baby, you're on!
What she want,
Baby, you're on!

Read my lips, read my lips, baby!
I, I, I, I'm so... freaking point
Baby, is she thought about it?
Baby, is she thought about it?
Baby, is she thought about it?
Yeah, you had my heart in the beginning
Yeah, now I'm feeling like it's about that time to end it!

Baby, you're giving me a headache
Working my brain, trying to maintain this headache
Relationship I wanna quit, but I don't get it
No, I don't get it, it's hypothetical, oh!
Oh, I don't know how much more I can take

What she want,
Baby, you're on!
What she want,
Baby, you're on!
