

Switch Up

Tiffany Evans

Broke up with my nigga yesterday
He kept acting up so you know I couldn't stay
And I'm really too pretty just to be in second place
Hope he know that this the last time he'll ever get to me

He never answer calls
He always left me home
And I just let him do it (Do It Do it)
He thought I was stupid
This ain't what he want
Fuck that, oh

Hol' up
What's poppin
Can we roll up In the lobby
Fuck it, I just wanna get lit
On some real shit
Lemme show you how I switch up on em real quick

Show me a good good time
Don't want you to waste my time
Cuz if you want spend some time
You gotta be worth it right I can tell that you wanna
Show me you can go harder
Don't take it too serious
Don't wanna get caught up

I know just what you want
Don't wanna lead you on
And I won't let you do it
I ain't playing stupid
I ain't tryna be in love, na nigga fuck that
But wait

Hol' up
What's poppin
Can we roll up In the lobby
Fuck it, I just wanna get lit
On some real shit
Lemme show you how I switch up on em real quick
[x2]

I'm really down with shits tonight
Tonight look at my ice
I wanna get right
Show me something nice
Somebody come get her
Wanna dance like a stripper
You keep calling I ain't tryna hear
Boy you know you fucked up it's the end of this
Tonight I'm doing me (yeah)
I don't care who sees (yeah)
Won't catch me in my feelings
With this liquor in my system I'm like

Hol' up
What's poppin

Can we roll up
In the lobby
Fuck it, I just wanna get lit
On some real shit
Lemme show you how I switch up on em real quick

Hol up
What's poppin (Aw yea, yea Aww aw yea yea)
Hol up
What's poppin (Aw yea, yea Aw aw yea yea)
