

Talk a Good Game

Tiffany Evans

You say I've got a good thing, but I don't know it
Make sure nothing is on my mind, so you can blow it, oh yeah
You see, that assumption that you gave me, uh-oh
You gon' have to come amaze me

Baby, so if I'm understood
I like, I like, I like the hood
You don't have to be gentle,
It's not what I'm into
You say you're better,
Oh, come and show me
Oh, we talk a good game
(Show me, show me, show me)
Oh, we talk a good game
(Show me, show me, show me)
What you wanna? What you wanna be?
Show me how you wanna be
Oh, we talk a good game
Oh, we talk a good game
(Show me, show me, show me)
Oh, we talk a good game
Oh, we talk a good game

See, I know a lot of places I could take you boy, yeah
But first I'd like to know if you could teach me things like
This isn't love, how to we up
Boy it don't matter, show me what you're made of
Hey, you gotta be ready, stay ready
Can you make me believe?

Baby, so if I'm understood
I like, I like, I like the hood
You don't have to be gentle,
It's not what I'm into
You say you're better,
Oh, come and show me
Oh, we talk a good game
(Show me, show me, show me)
Oh, we talk a good game
(Show me, show me, show me)
What you wanna? What you wanna be?
Show me how you wanna be
Oh, we talk a good game
Oh, we talk a good game
(Show me, show me, show me)
Oh, we talk a good game
Oh, we talk a good game

Boy, what you're saying?
I hear you talking to me
I want you to show me!

Oh, we talk a good game
Oh, we talk a good game
(Show me, show me, show me)
Oh, we talk a good game
Oh, we talk a good game

(Show me that you really want me)
What you wanna? What you wanna be?
Show me how you wanna be
What you wanna? What you wanna be?
Show me how you wanna be
