

# You Haven't Asked Me Yet

Giardina Tiffany

It's Friday, I'm alone  
Just staring at the phone  
I bet you lost my number  
Sometimes you make me wonder

You might think that I'm ok  
It feels like I'm invisible  
You don't hear a word I say  
Guess I'm not invincible

We can be anything  
Anywhere that we wanna be, wanna be  
Holding hands at the dance to our favorite bands  
Can't you see?, It's meant to be

Whoa, whoa  
But you haven't asked me yet  
Whoa, whoa  
But you haven't asked me yet

Every time I turn around  
You try to stare me down  
It's time I call your bluff  
I've finally had enough of

You might think that I'm ok  
It feels like I'm invisible  
You don't hear a word I say  
Guess I'm not invincible

We can be anything  
Anywhere that we wanna be, wanna be  
Holding hands at the dance to our favorite bands  
Can't you see?, It's meant to be

Whoa, whoa  
But you haven't asked me yet  
Whoa, whoa  
But you haven't asked me yet

You play it safe  
Because you know that  
Your friends will laugh  
At everything and anything

But do you care?  
Don't you know?  
That they're wanna be's, wanna be's

We can be anything  
Anywhere that we wanna be  
But you haven't asked me yet  
Holding hands at the dance to our favorite bands

We can be anything  
Anywhere that we wanna be, wanna be  
Holding hands at the dance to our favorite bands

Can't you see?, It's meant to be

Whoa, whoa

But you haven't asked me yet

Whoa, whoa

But you haven't asked me yet

Whoa, whoa

But you haven't asked me yet

Whoa, whoa

But you haven't asked me yet
