

Hey Lover

Tiger Lou

hey lover hey honey tell me what this is
is this all that I'll ever get from you
hey lover hey honey you could have left by now
am I the only one that sees that something here is wrong

but hey won't you stay you know that I won't say anything
lord you know that I don't I don't want it that
lord you know that I don't I don't want it that way
I don't want it that way

oh father help me please give me strength
I need a little time to sort out where I'm coming from
I'll buy some roses I'll buy you lilies too
'cause there ain't never gonna be nobody else there for you

but hey won't you stay you know that I won't say anything
lord you know that I don't I don't want it that
lord you know that I don't I don't want it that way
I don't want it that way
