

No More Crying

'Til Tuesday

There is no love here (there is no love)
Only some sort of blackmail
Whatever you feel
(Whatever you feel)
Probably only comes down
To male and female

[Chorus:]
No more crying
Over you
No more crying
Over you
No more crying
Over you
No more crying
Because of you

Found myself thinking
(You shouldn't think)
He was almost sincere
But you know rumours
(You know that talk)
You believe what you hear

[Chorus]

I saw it coming
(But you let it come)
It's the same old story
You ignore his lying
(Lying)
Believe him when he says
That he's sorry

[Chorus x2]
