

Love Riot

Tilly and the Wall

Love riot
Let's do it right
We won't be quiet
Let's do it right
Love riot
Let's do it right
We won't be quiet
Oh we gotta get wall

No we're not sick
We're not tired
We are held
This strong and fight
Up above the
Sky so bright
Like the diamond in our eye
Where we wink
Give the signs
Soldiers raise
Your flags up high
Beaters of the
Peace not quite
Now's the time,
Now's the time

We're not gonna
Fight their wing, oh
Never ever ever
Gonna take us down
We got better rules to play
I can hold it in,
I got a dash around

Love riot
Let's do it right
We won't be quiet
Let's do it right
Love riot
Let's do it right
We won't be quiet
Oh we gotta get wall

I can't hold it in,
I can't hold it in
I can't hold it in.
