

## Day After Day

Tim Hughes

Day after day  
I'll search to find You  
Day after day I'll wait for You  
The deeper I go the more I love Your name  
So keep my heart pure and my ways true  
As I follow You

Keep me humble, I'll stay mindful  
Of Your mercies Lord  
I'll cherish your Word  
I'll seek Your presence  
I'll chase after You with all I have  
For one day I know I'll see you face to face
