## **Day After Day**

**Tim Hughes** 

Day after day I'll search to find You Day after day I'll wait for You The deeper I go the more I love Your name So keep my heart pure and my ways true As I follow You

Keep me humble, I'll stay mindful Of Your mercies Lord I'll cherish your Word I'll seek Your presence I'll chase after You with all I have For one day I know I'll see you face to face
