

Here With Me

Tim Hughes

When darkness deepens
The path unsure
The sun is hidden by the storms
I look to heaven
And cry to Thee
Oh God be here with me
When darkness deepens
The path unsure
The sun is hidden by the storms
I look to heaven
And cry to Thee
Oh God be here with me

In every breath
Every joy and tear
Every passing hour
Let me know You're near
In life, in death
For eternity
Oh God be here with me

When faith is shaken
When fears surround
My feet will stand on solid ground
In every season
My song will be
Oh God be here with me

In every breath
Every joy and tear
Every passing hour
Let me know You're near
In life, in death
For eternity
Oh God be here with me

And in that moment
We're face to face
I will not need these eyes of faith
Forever after, God I will see
That You've always been with me
You've always been with me

In every breath
Every joy and tear
Every passing hour
Let me know You're near
In life, in death
For eternity
Oh God you are here with me
In every breath
Every joy and tear
Every passing hour
Let me know You're near
In life, in death
For eternity
Oh God you are here with me

Oh God you are here with me
