

Remember

Tim Hughes

I'll remember You
I'll remember what You did
Remembering the cross
Remembering the price You paid
I'll remember You

No one's ever loved me quite like You do
No one's ever loved me quite like You
Jesus For Your glory I will tell the story of the cross

I will sing of You
I will sing of what You did
The stone lies rolled away
Nothing but an empty grave
I will sing of You

Hallelujah, Hallelujah
Hallelujah for the cross
