

Never Letting Go

Tim McMorris

You and I, we were meant to be
I feel it in my soul
Feel it in my soul

Never separated, you and me
Broken made whole
Broken made whole

The world it tries to steal our hope
Tries to make us numb
But our love has overcome

And you my dear, you are my prize
When I look into your eyes
Love overflow
I'm never letting go

All my life, I give to you
Love break though
I'm never letting go

Never ceasing, our love grows
Ever increasing
I won't let you go

Hearts of fire, through and through
Follow me, I'll follow you
We will persevere
Everything together do

Tests and trials, love renew
Yeah we've made it
We've always been proven true

Still the world it tries to steal our hope
Tries to make us numb
But our love has overcome

And you my dear, you are my prize
When I look into your eyes
Love overflow
I'm never letting go

All my life, I give to you
Love break though
I'm never letting go

Never ceasing, our love grows
Ever increasing

Never letting go
All my life, I give to you
Love break though
I'm never letting go

Never ceasing, our love grows
Ever increasing

I won't let you go

We were made for

We were made for each other
