

## So Alive

Tim McMorris

I have never met someone  
Someone that's quite like you  
Who makes me feel alive inside  
And shares all I go through

You won my heart with the very first smile  
You see the best in me, and make me feel worthwhile

I know I can count on you, you've always been the same  
The sweetest thing I've ever heard, is you calling my name  
You pull me up, when I am feeling low  
I need you by my side, wherever I will go

Cause you make me feel  
Make me feel so alive  
Won't you stay right here with me  
Forever

Cause I cannot live without you girl  
I need you by my side  
All my days I want to be with you  
Together

Every time I turn around, you're always on my mind  
And everything about you is sweet, your loving and your kind  
No one else, no, no one else will do  
Cause no one even can come close to you

There is only one for me, my heart has made it's choice  
Every day that passes by, can't wait to hear your voice  
With you by my side, forever I'll be strong  
And to show my love, to you, I give this song

You make me feel  
Make me feel so alive  
Won't you stay right here with me  
Forever

Cause I cannot live without you girl  
I need you by my side  
All my days I want to be with you  
Together
