

# Won't Let Go

Tim McMorris

I always will love you  
And nothing can separate us  
Not life, not death  
Your words, they give me breath

I want you, I need you  
I stumble, you break through  
My heart finds rest when you say

I won't let go  
I won't let go  
No

Through the dark I'll find your hand  
You can trust and know  
I won't let go  
No

I feel you surround me  
Astound me, you ground me  
And lead with words  
I need when I lose my way

And when I get crazy  
You're faithful to save me  
Each day I hear you say

I won't let go  
I won't let go  
No

Through the dark I'll find your hand  
You can trust and know  
I won't let go  
No

Oh my world is spinning round and  
All the walls are coming down and  
On and on and on we go  
On and on our love will grow

You have captured all of me  
You lift me up, you set me free and  
On and on and on we go  
On and on our love will grow

I won't let go  
I won't let go  
No

Through the dark I'll find your hand  
You can trust and know  
I won't let go  
No
