

Wonderful

Tim McMorris

Cut off the things that weighed me down
There's nothing left I'm trying to hide
Living life, now feeling free inside
Feeling free inside

I see the beauty of the sun
Another day has just begun
I start to dream, and start to see
I wonder what, the world has for me
What it has for me

So I'm moving on
I'm moving, on
And it feels wonderful
Ya, wonderful

I'm moving on
I'm moving, on
And it feels wonderful
Ya, wonderful to me

Break the chain and break the bars
I stretch my hands to touch the stars
I've finally found the one right track
Not turning round, not going back - no more
Not falling anymore

And nothing beats when you can see
Within your grasp, your destiny
So open up your hands and fly
Don't let the day, don't let it pass you by
Don't let it pass you by

So I'm moving on
I'm moving, on
And it feels wonderful
Ya, wonderful

I'm moving on
I'm moving, on
And it feels wonderful
Ya, wonderful to me
