

# I Am Music

Timbaland & Magoo

I'll be with you on your way to work  
When your car turns on, you'll probably hear me  
You can't run your car without me (Without me)  
Want a deal, costs you a hundred G's  
I am, I am

I am music  
I'm melodies and harmonies  
Stereo and mono  
On the radio, the radio  
I said I am music  
I'm simply dope beats  
Intros and drum rolls  
On the radio, the radio

I'll meet you at a summer jam  
I'm with you PM or AM  
I'll work out with you when you're at the gym  
And when you clean the house, I'll be in the den  
Cuz I am

I am music  
Melodies, harmonies  
Mono, stereo, ohhhhhhhhhhhhhhhh  
I am music  
Simply dope beats  
Tempos, drum rolls, ohhhhhhhhhhhhhhhh

You may find me at a shopping mall  
I'm not buying but I'll be for sale  
I'll be a feeling when your talent shows  
Might even hear me at a restaurant  
Cuz I am
