

## Black Creek Drive

Timber Timbre

You're the spitting image  
Of a parking lot  
You're the spitting image  
And you're the best  
Goddamn swimmer I've ever seen

And you found yourself  
A nice place to live  
You found yourself  
A nice little town to haunt

Out on Black Creek Drive  
Out on Black Creek Drive  
Out on Black Creek Drive  
Where I should've been born

You found a nice place to live  
You found a nice town to haunt  
Out on Black Creek Drive
