

## Western Questions

Timber Timbre

Western questions, villages moving, the visitors settling in  
Drifters, grifters, spanning sifters looking for a flash in the  
pan

International witness protection through mass migration

The imminent surrender of land

Cloaked in safety at the counter of a luxury liner with a noose  
in my hand

Dislocated relocations

Bermuda Triangle tours

A disappearance of a floating cathedral into the sewer

Let the slime come, the gelatinous walls of the seeds that seld  
om remain

While the bulls are browsin' needles through computer casinos

Honor the name

Stationed agents, operators, slumlords, engineers

Factor in ghettos and stack up the green paper walls for the ma  
n of the year

I'm the hero of the human highway

I'm the savior of the ethnosphere

Overdue by assassination, promoting racial vaccination and fear

Hollywood halo, the UFO light oozing from every screen

Western questions, desperate elections, campaign Halloween

We relax with our love life published, slip into something obsc  
ene

We got slime and flamingos, take the number but please don't fo  
rget about me

Dislocated relocations

Bermuda Triangle tours

A disappearance of a floating cathedral into the sewer

Let the slime come, the gelatinous walls of the seeds that seld  
om remain

While the bulls are browsin' needles through computer casinos
